To whom it may concern,

My name is Maritza Rashel Camarena Gonzalez, and I am a high school student interested in pursuing opportunities in the medical field. I am writing to introduce myself and express my interest in programs, internships, or positions that will help me gain experience and grow professionally. Based on my skills, work ethic, and dedication to helping others, I believe I would be a strong candidate for your organization.

I am a motivated and hardworking student with a GPA of 2.75 who has earned Honor Roll recognition for my academic performance. My teachers and peers would describe me as helpful, friendly, and dependable. I am bilingual in English and Spanish, which allows me to communicate effectively with a wide range of people. I also have basic technical skills in HTML and CSS, along with general computer and typing skills. I take pride in staying organized, completing tasks on time, and always putting forth my best effort.

In addition to my academics, I have gained valuable experience through community service. I have volunteered approximately 60 hours with Jehovah's Witnesses, where I developed strong communication skills and a sense of responsibility while working with people in my community. This experience has strengthened my passion for helping others and has influenced my interest in pursuing a career in healthcare.

After graduating high school, I plan to attend college at institutions such as Coalinga College, West Hills College Lemoore, or College of the Sequoias. My goal is to become a radiologist, although I am also interested in careers as an EMT/paramedic or phlebotomist. I am eager to gain hands-on experience and continue developing the skills necessary to succeed in the medical field.

After reviewing my qualifications, I hope you will consider me as a dedicated and responsible candidate. I would appreciate the opportunity to further discuss how my skills and goals align with your program or organization. Please feel free to contact me at (559) 639-8121 or by email at mcama-s183@chusd.org.

Thank you for your time and consideration. I look forward to hearing from you.

Respectfully,

Maritza Rashel Camarena Gonzalez
